Greetings!

OOPS!

Our newsletter editor lost his concentration and sent the Help Needed email with the wrong date. The man needs a vacation (*editor's note: I'll second that!!*). A Day of Pos-Abilities is on

SATURDAY JULY 13

not the date he (apparently randomly) put in the previous email.

Anyway, now that's been straightened out, please call me and tell me if you can help:

Don't forget, we have a website dedicated to A Day of Pos-Abilities. It's at

<http://littlehorsestudios.wix.com/pos-abilities>

Have a look. It's going to be a great day!

All the best, and thanks!

Hope is Not A Plan

The video, "Hope is Not A Plan" is now available on the website, in [our blog](#) and at [Vimeo.com](#).

This film should be **required viewing for everyone**, whether you have a disability or not. Why, you ask? Simple. Most of us will, at some time in our lives, become disabled in some way. The fact is that those of us with disabilities have **no civil rights** when compared to those of us who are not disabled. This should resonate with every Canadian. No disability? Your time may come. Do you want your rights? Watch the video.

An election is almost on us, and we need to discuss civil rights for people with disabilities with politicians. People with disabilities do not have a way to enforce civil rights in British Columbia, or indeed anywhere in Canada. This must change!

View the video. Pass the link around. It's less than an hour long, and it can have a huge, and a positive, impact - if enough people see it!
