**Langley Pos-Abilities  
Bridal Show 2012!**

\*Saturday May 5th

Paralympic Gold Medal Curler Sonja Gaudet instructs an enthusiastic group of beginner curlers. Zosia looks on and Marney practices being the 'anchor' for this shot.

We enjoyed a fantastic **free** introduction curling clinic organized by Curl BC and supported by the Canadian Curling Association on January 31st. The *Can Curl More* event was attended by beginner curlers eager to play with and learn from the pros!

Instructors Karen Watson (coach) and Paralympic gold medal curler Sonja Gaudet started with a slide show presentation to prepare us with the basics before we hit the ice. Also present to lend a hand were respected mentors Darryl Neighbor, and Gary Cormack who are also gold medal paralympic curlers. Thank you to Elizabeth Walker-Young and Penny Bartel for facilitating this event!

We encourage everyone to *get out and play* no matter what your disability may be. Wheelchair curling is just one of many fun sports to participate in.
